**Bodegas Hermanos Frías del Val.
Villabuena de Álava, Rioja Alavesa.**

**Hermanos Frías del Val Reserva.
Tempranillo 100%.
Distinguished and powerful.**

This wine comes from our oldest vineyards and achieves great aromatic complexity. Looked after with all of our affection, the wine is generous and powerful. It manages to transport us to our best lived moments. We look for excuses to open up a bottle. The wine comes from our own vineyard close to the winery which is more than 50 years old. It is aged in a new barrel which is 70% French and 30% American oak.

Colour: Medium intensity cherry red with glimmers of black cherry on the rim. Clean and bright.

Aroma: Complex, intense and elegant with a mix of spicy aromas such as white pepper, cinnamon, flowers such as orange blossom and violet, blackberry, fruit compote, aromatic herbs and cocoa.

Mouth: Fresh tasting to start, pleasant and smooth. Round and velvety with well integrated tannins. Its aromatic structure and correct assemblage help to lengthen the finish.

Pairing:

Perfect to pair with stews, roast meat, casseroles, red meat and game.
